I'm Jeff - brother, son, cousin, nephew - and I am dying, likely in the next days or weeks from injuries inflicted during one of the most horrific sex crimes in modern Canada - April 22nd 2017 to April 22nd 2019.

The basics of my life - relevant to my death - are stored in a publicly accessible document repository (repo) as a Dying Declaration. I have had to wait until my death is imminent to protect my records in this fashion.

A DieDec is an exception to hearsay rules in Canada. It requires my death be imminent, medically hopeless and a homicide. I have all 3 in spades.

It is here :

The most relevant section for my family is :

The enormity of what is there - is dwarfed only by its simplicity but understand these simple things :

Karen, Rosanne and Wilhelmina carried out one of the most horrific sex crimes in Canada between 1980 and 1991.

Then they did it again - only worse still - from April 22nd 2017 to April 22nd 2019.

I was raped, mutilated and murdered by Karen because I wouldn't call the RCMP when Karen ordered me to.

I was raped, mutilated and murdered by Rosanne because I brought Larry food when she ordered me to starve him.

I was raped, mutilated and murdered by Wilhelmina because I couldn't force Rosanne to move home when she ran away for 18 months.

I was sex trafficked by a raping murder pedophile from my childhood - Rosanne - in March and April of 2017.

I was threatened with rape and murder, torture and suicide, the torture of Dennis - if I spoke to Dennis, if I told him I was promised the old house, if I told him I was sick, dying, if I told him I'd been lent money that was suppose to be from him.

That was the first 60 seconds I was in Bridgewater April 22nd 2017 - Danielle and Madi weren't even in the restaurant. Rosanne was waiting for me in the parking lot.

I was forced into Rosanne's car with the same threats after she sent everyone away while I was in the washroom.

The 25 min drive from Bridgewater to Beach Meadows took 45 min as Rosanne made threat after threat after threat.

Karen was waiting at Rosanne's house - Rosanne made the same threats - Karen was being blackmailed - she said nothing.

My answer through all this was no - I wasn't living in Rosanne's house. I wasn't looking after Larry.

3 days - Rosanne screamed rape and murder, torture and suicide - while I slept on a floor with the door wedged shut with a splitting wedge from the garage.

Rosanne beat Larry 5 times on April 24th - from 7:25 am to 8:10 am - in her own living room. Before and after his walk at 3 pm, before, during and after supper.

Those 4-5 of those beatings - the 4-5 beatings Larry got every day for 18 months - were only carried out in Wilhelmina's kitchen, only in front of Wilhelmina, only in front of Dennis - while Rosanne screamed threats at Dennis if he helped me in any way.

Dennis was beaten 4 or 5 times a day - any time I wasn't at Wilhelmina's. Any time I had to go to the washroom.

These 3 monsters - raping, murdering, pedophiles from my childhood - were tearing each other apart. Larry, Dennis and I were just fodder in their war with each other.

Rosanne started with 2 murder attempts at me before I was even in the country. She added a 3rd on April 24th 2017. She added a 4th the day after Suzanne flew back to Europe (July 6th or 7th 2018). She added a fifth on August 21st 2018.

Rosanne threatened to kill Larry every night from April 24th 2017. She beat Larry and Dennis 4-5 times a day. She beat me once a day. All these beatings were only at Wilhelmina's, only in front of Wilhelmina, only in front of Dennis.

Rosanne began starving Larry and I the day after Suzanne flew back to Europe - that's when I started sneaking to the food bank to feed Larry. Rosanne screamed every day - if I ate - Larry died - she would kill him and frame me - so I starved - losing $\frac{1}{3}$ of my body weight and developing my 4th terminal medical issue - the seizures and mini-strokes - that are killing me now.

These weren't consecutive. They were concurrent. When Dustin and Sarah came to visit - Rosanne was juggling 6 murders - my 5 and Larry 1. Larry had been eating out of the food bank for months as Rosanne renovated the cottage. Larry out of the food bank until April 2019.

In late Aug - when I confronted Rosanne for beating Dennis in secret - when I confronted her for stealing Larry's pension the way Wilhelmina stole our college funds in the early 1980s - Rosanne stole every scrap of food in the house.

Dustin and Sarah ate food bank donations for the first week they were in Nova Scotia - Rosanne had stolen them and taken them to the cottage.

Round and round - Karen and Wilhelmina torturing Rosanne into ever greater acts of violence.

There is more, in more detail, than can ever be explained in a letter. So I'm not. It's all on the repo.
